Volunteer Information Booklet

Dear St. Joe Parent:

The administration and faculty of St. Joseph Catholic School welcomes and encourages your involvement within our school program. There are many ways in which you can help facilitate and enhance your child's learning experience by establishing a strong, viable school and family partnership.

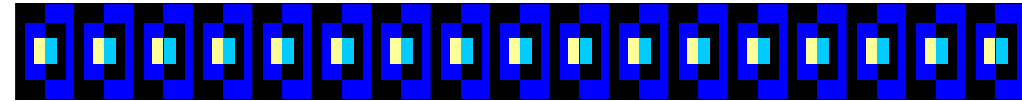

Throughout the academic year there are many opportunities and events in which parental involvement is the key factor to the success of our school's program.

In accordance with Diocesan policy, all volunteers must have completed the Virtus Training Program through the Diocese of Wheeling-Charleston. This involves a one-time training session, which can be completed on-line. In addition to this, all volunteers must have a background check conducted. Please visit www.virtusonline.org for more information and to sign up.

If you are interested in giving of your time and talents, please indicate from the following list the area or areas in which you would like to volunteer.

Thank you for your continued commitment and dedication to our school mission and school community.
