

St. Joseph Catholic School

Chromebook Handbook

2016-2017

1. Receiving your Chromebook

Ownership

All school-issued Chromebooks and cords are the property of St. Joseph Catholic School.

Receiving your Chromebook

Parents and students must sign and return all required documents and provide approved notebook carrying case before the device can be issued to their child. Chromebooks must remain on the designated floor at all times unless the student is given permission.

Chromebook Check-In

During student Chromebook inspections, if a teacher determines a device has been intentionally damaged, defaced, or in a condition not attributable to normal wear and tear, you the student be charged for the full assessed damage amount or replacement cost.

2. Taking Care of Your Chromebook

Students are responsible for the general care of the Chromebook they have been issued by the school. Notebooks that are broken or fail to work properly must be taken immediately to the student's homeroom teacher.

General Precautions

- No food or drink is allowed next to your Chromebook while it is in use.
- To conserve battery life, the Chromebook should be turned off when not in use.
- Chromebooks must remain free of any writing, drawing, stickers or labels that are not property of St. Joseph Catholic School.
- Students are responsible for keeping their notebook's battery charged for school each day.
- Nothing is to be placed on top of the Chromebooks.
- Chromebooks are not to be carried with the screen open.
- It is the student's responsibility to keep the Chromebook safe from any damage.

Screen Care

The Chromebook screen can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure and sharp objects.

- Do not lean on the notebook.
- Do not place any heavy or sharp objects on top of the Chromebook.
- Do not poke the screen.
- Do not use pens, pencils or other writing instrument on the screen.
- Clean the screen with a soft, dry cloth or anti-static cloth. Do not spray cleaners onto the screen.

Non-compliance with the General Precautions and Screen Care may result in administrative action. Additional offenses may result in the loss of Chromebook privileges as determined by the school administration.

Cases and Earbuds

Students are required to purchase an approved case and earbuds for their Chromebooks. It is recommended that the cases have shoulder straps. Earbuds may only be used under teacher direction.

3. Using Your Chromebook at School

Chromebooks are intended for use at school each day. Apps are chosen by your child's teachers to coordinate with and supplement our curriculum. Students are responsible for bringing their Chromebooks to all classes, unless specifically instructed not to do so by their teacher.

Chromebooks Undergoing Repair

When possible, the Homeroom teachers will make alternate laptops available when a student's Chromebook is dropped off for repair due to normal wear and tear, insurance issues, or software issues. If the repair is required due to a violation of school policy or malicious intent, the laptops will be issued at the discretion of the administration.

Charging Your Chromebook

Chromebooks must be charged at the end of each school day. Repeated failure to charge the Chromebook so that it is not ready for use will result in written infractions. Chromebooks should not be charged with the protective cover on.

Chromebook Settings

- Students may not change any settings on their computers without permission from the teachers.
- Inappropriate media may not be used as a background.

Sound, Music, Games, and Apps

- Students are not permitted to use audio or video recording apps/software/extensions during the school day unless permission is obtained from the teacher for instructional purposes.
- Games and/or music are not permitted to be played during school hours, unless used in conjunction with academic purposes pre-approved by the classroom teacher.
- Students are not permitted to install any apps or extensions on the device without authorization from the supervising teacher.

3. Managing Files and BackUps

Saving Documents to Google Drive

All files saved to the Chromebooks automatically sync to the Google Cloud when connected to Wi-Fi. Students then have the ability to access all their documents from home by signing in to their Google account by clicking [here](#).

Backups

Students are encouraged to back up all data on a USB flash drive. Misplacing files or losing data will not be an excuse for late assignments.

4. Inspection

Chromebooks are the property of St. Joseph Catholic School. The Administration and/or staff can perform an inspection at any time.

Student Discipline

Technology owned or issued by St. Joseph Catholic School is first and foremost for educational purposes. Students who violate any part of this handbook will be subject to serious disciplinary consequences from school administration.

6. **Protecting Your Chromebook**

Chromebook Identification

Chromebooks are labeled and the serial numbers are recorded by the school. Students are not to tamper with any labels or other identifying marks on their device.

7. **Protecting Your Passwords**

Chromebook and other Passwords

It is common to have the Google Chrome browser save passwords on frequently visited websites. Students are to keep the password to those sites and the chromebook password in a safe place. These are not to be shared with others. No login and password information should be written and attached to the device itself.

Chromebook Pledge Form

Student Pledge for Chromebook Use

1. I will follow all of the policies and regulations included in the Chromebook Handbook.
2. I agree to return the Chromebook and power cord in good working order.
3. I understand that use of the Chromebook is a privilege not a right.

Parent Pledge

1. I hereby give permission to allow my child to be issued a Chromebook for the 2016-2017 school year and to access services such as the Internet, Google for Education e-mail and installed Apps.
2. I understand that some materials on the Internet and available apps may be objectionable. However, I accept responsibility for providing guidance to my son/daughter on responsible and appropriate use both in and outside of school, setting and conveying standards for the student when selecting, purchasing, sharing, downloading, or exploring information and electronic media.
3. I understand that St. Joseph Catholic School will attempt to restrict access to objectionable material through the admin control panel recognizing, however, that blocking all objectionable content is not possible. Further, I will not hold school employees or authorities responsible for materials my son/daughter may acquire through use of any school-issued technology.
4. I will assume full responsibility for any damage that occurs to the Chromebook while the device is in my child's possession. I must also be responsible for any damage my child causes to another student's Chromebook.
5. I understand that the Chromebook and all its contents are the property of St. Joseph Catholic School.

I agree to the stipulations set forth in the Handbook, the Student Pledge for Chromebook Use and the Parent Pledge.
